

CHEAC Annual Meeting 2017

Break out Discussions

Cannabis

Prevention & Education

- What kinds of public information campaigns are LHD's planning?
 - How are you incorporating materials developed by CDPH on the *Let's Talk About Cannabis Website*?
 - Are there specific information or communication needs for specific communities in your cities or county and how are you working to develop those messages?

Surveillance and Data Collection

- What data are you collecting about the impact of cannabis in your jurisdictions?
 - What data are collecting to measure the impact?
 - How are you collecting information about the use of cannabis? Please share what data is being collected and how? What data sources are you using (YRBSS, OSHPD, etc.)?

Ordinances and Business and Health Permitting/Licensing Issues

- Has your county/city passed a new ordinance or tax related to cannabis, or do you have plans to pass one?
 - How is your jurisdiction determining who can enter the business?
 - Is your jurisdiction planning to cap the number of cannabis businesses, and if so how did you determine the cap?
 - How are you addressing density of cannabis businesses?
 - Do you plan to issue Health Permits for cannabis businesses?

Staff Issues

- Is your County involving Environmental Health Staff as inspectors in the regulation of cannabis businesses?
 - How are you planning for staff safety?
 - How are you determining who will work on cannabis related activities?
 - Are you planning specific training for staff that will be involved in the regulation of cannabis businesses?
