

# **CHEAC Annual Meeting 2017**

## **Break out Discussions**

### **Public Health Approach to Violence**

- What is the PH Approach to violence?
- What key partners can LHDs begin to engage on this work? Please share local examples.
- Have you started to identify research, advocacy, and capacity-building opportunities where the LHD can help advance reforms?
- How does equity work align or intersect with the PH approach to violence?
