<a href="#">AB 1964/Maienschein</a> A – Appr Amended 4/23/18	<p><del>Modifies the definition of resident camp to now include organized day camps and camps for adults with activity or participation limitations.</del> <b>Creates a new section of statute to define organized day camps.</b> Day camps are defined as those providing group experiences for children under 18 during the day and on days when school is not regularly in session for a minimum of four hours per day on three or more consecutive days. Day camps are now categorized into two tiers. Tier one camps offer either food service, multiple programs, or single focus programs that involve but are not limited to firearms, challenge courses, archery or power tools. Food service is defined as either on-site food preparation or the distribution of non-prepackaged, potentially hazardous foods. Tier two camps are single focus and offer no food service. <b>Day camps are allowed to transport campers for activities at parks, beaches, campsites, and other locations, and allowed to provide offsite field trips for no more than three consecutive days (including overnight).</b> All camps will be required to file a notice of intent to operate with the local enforcement agency (LEA) including a written operating plan or written verification that the camp is accredited by the American Camp Association (ACA). <b>Organized day camps are required to be either accredited by the American Camp Association (ACA) or to have a written description of their operating procedures. These operating procedures must include 1) supervisor qualifications/training and verification from the camp of the camp director’s and camp staff criminal background checks, 2) staff skill verification criteria and process, 3) participant eligibility requirements, 4) staff-to-participant supervision ratios, 5) equipment needed, 6) safety procedures, and 7) emergency procedures. Requires day camps to obtain a <u>health and sanitation permit</u> from local enforcement agencies (LEAs). Requires any tier one day camp that provides food service to be a licensed food facility. Requires every camper and each staffer to provide a health history that is completed and signed and to be kept onsite. Requires local enforcement agencies to issue a day camp health and sanitation permit upon receipt of a copy of the written operating procedures for the day camp or verification of accreditation by the ACA. <a href="#">AB 1964/Maienschein</a> (CONTINUED) A – Appr Amended 4/23/18	<p>LEAs may inspect day camps, issue citations, and secure evidence from a day camp and charge a fee for that purpose. The LEA shall provide, within 14 days, a summary of any violation of health and sanitation standards, including but not limited to, water supply, drinking water, handwashing facilities, showers, toilets, swimming facilities, garbage and refuse, and food facilities. For Tier one camps, LEAs must issue a permit to operate for any camp that has an operating plan that includes appropriate health and sanitation standards, and the LEA must conduct an initial inspection of the camp premises to verify compliance of those health and sanitation standards. For Tier two camps, LEAs must issue a registration so long as the camp has submitted either its written plan or ACA accreditation. Both Tier one and Tier two camps must be in compliance with existing organized camp regulations (eg: water supply, building standards, firearms storage). Requires that either organizations hiring camp directors or LEAs must conduct a background check on a camp director. Tier one camps may be charged a fee for inspections. Day camps may be cited for failing to meet any requirements and LEAs must acknowledge receipt of the plans within 30 days. Day camps they may appeal a citation to the local health enforcement agency who must then respond within 30 business days. Any person alleging health or sanitation violations may file a complaint with the LEA; local enforcement agencies are required to investigate any complaint received and may charge a fee for any oversight activity mandated by the bill. <b>Requires the State Public Health Officer (SPHO) to adopt regulations establishing minimum standards for organized day camps and regulating the operation of day camps that the SPHO determines are necessary to protect the health and safety of campers.</b></p>	OUA 3/26/18		Environmental Health
