Characteristics of a “Healthy” Opioid Safety Coalition

Mission Oriented, Outcome Focused Strategy

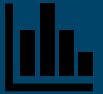

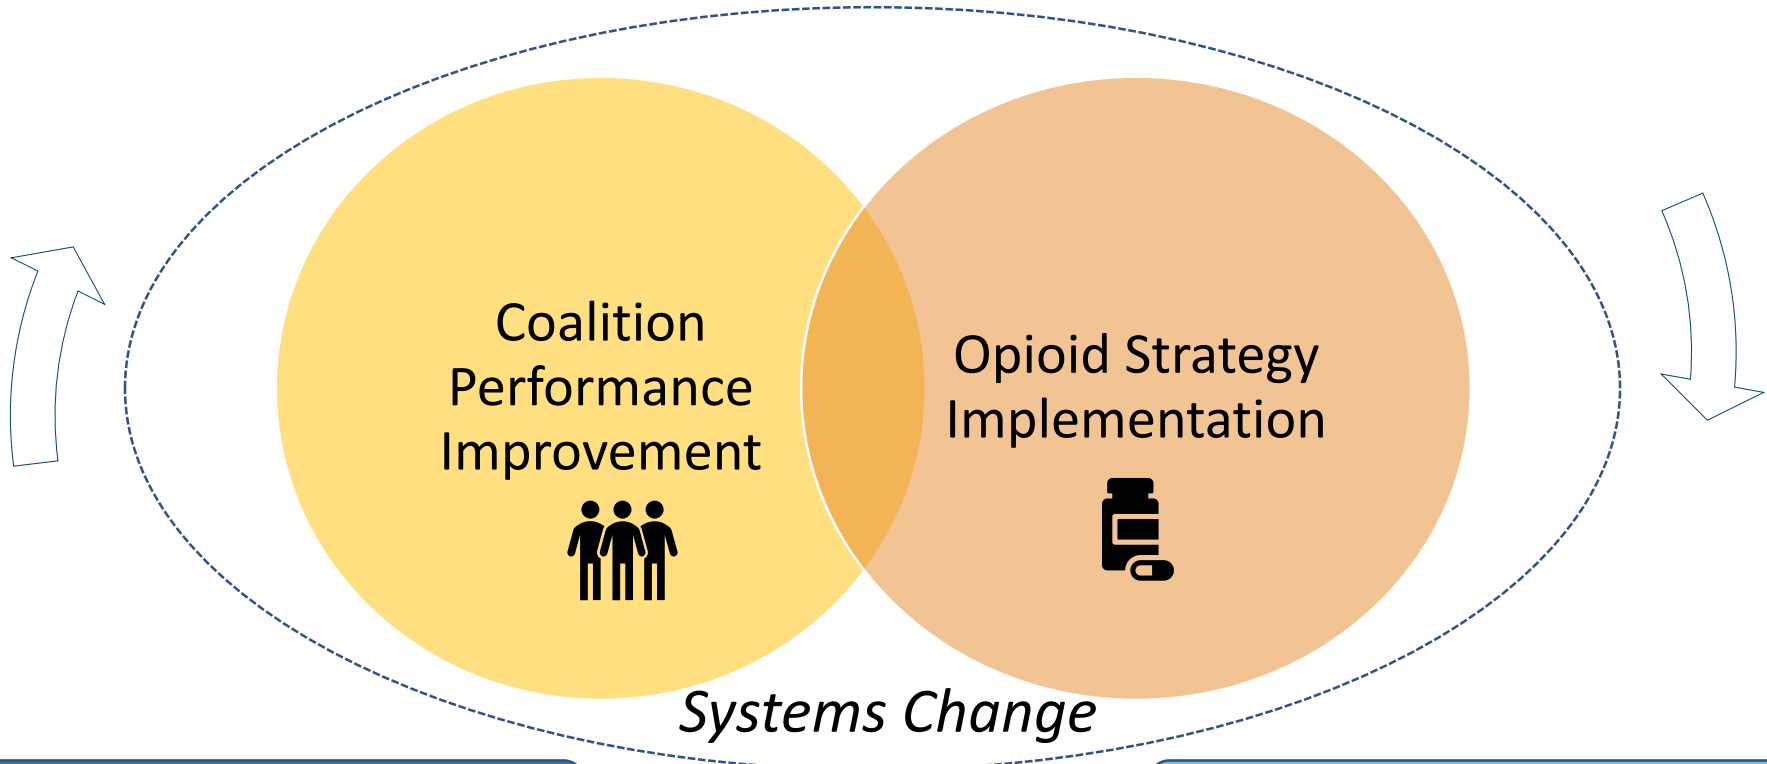

The California Opioid Safety Network is a statewide forum for all coalitions, organizations and individuals working to combat the opioid crisis in California.

The Network's *Accelerator Program* provides local coalitions with customized coaching, technical assistance and networking opportunities to strengthen their impact.

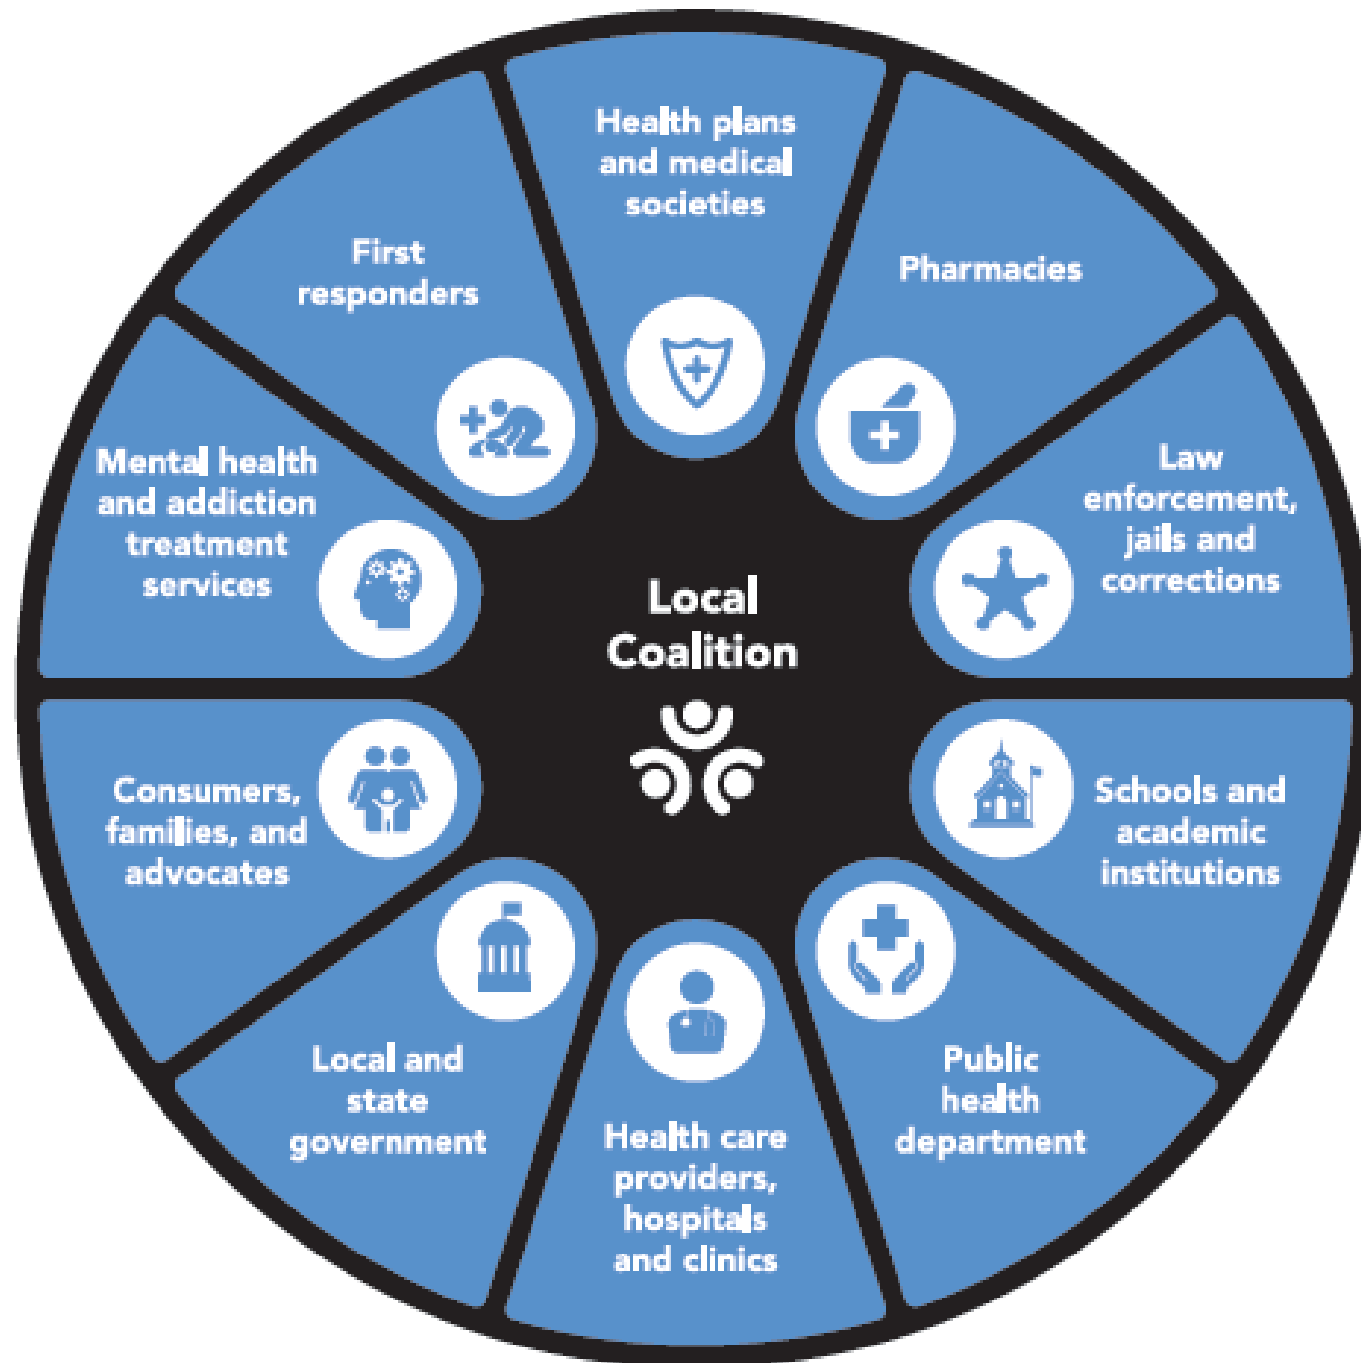

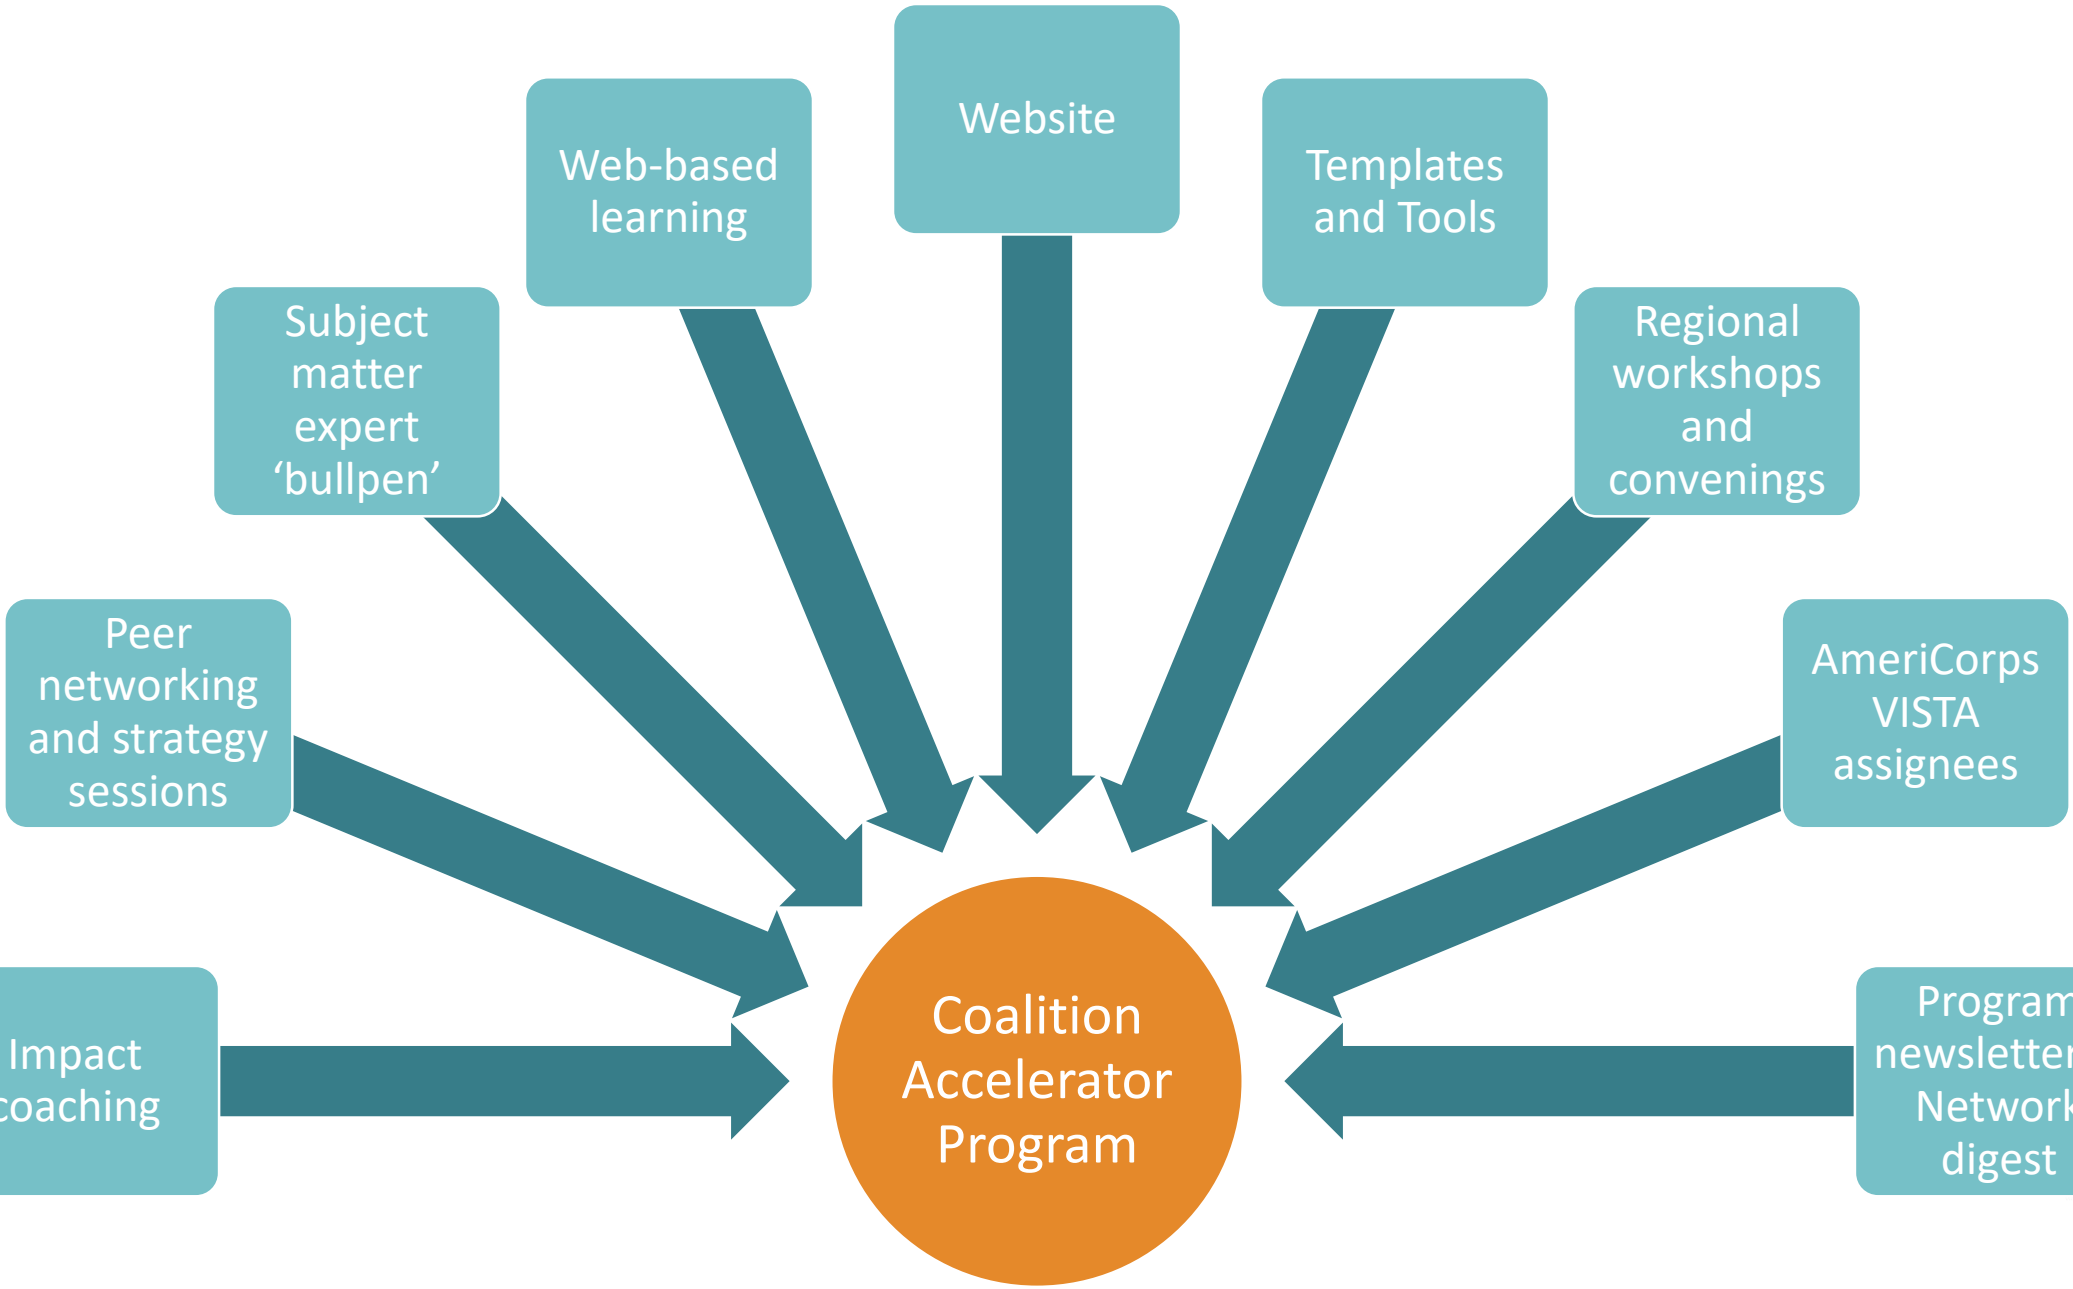

Measurement and CQI 

Communicating for Impact 

Sustainability Planning 

“We were operating in a vacuum.
Together we have a multiplied effect.”

—Coalition leader, San Luis Obispo County
