CDPH Contracting/Invoice Issues

- CHEAC soliciting CDPH contracting/invoicing delays from LHDs on a quarterly basis
- CHEAC elevates within CDPH, relays responses from CDPH to LHDs
- Last submission in August 2019 included 211 issues from 27 jurisdictions
- Over this past year, CDPH has resolved 243 out of 421 issues (58 percent) from 42 jurisdictions (counts as of 10/02/2019)
- CHEAC will be soliciting another round of contracting and invoicing issues in December 2019

California Alliance for Prevention Funding

- Resolutions – local government and organizations
- Upcoming regional convenings in Humboldt (10/25) and Redding (10/30)
- Looking to find increased alignment with Californians for Less Soda coalition

Cannabis

- CA Community Reinvestment Grants Program (CalCRG) have been awarded to 69 entities within 23 counties.
- \$9.6 million (Prop 64) directed to LHDs and CBOs for grants to support activities such as job placement, system navigation services, and linkages to medical care.
- Awarded entities include 4 LHDs in collaboration with other entities (Los Angeles, Marin, San Francisco, and Santa Cruz) and one stand-alone health department (Orange)
- Next grant cycle expected to begin in Spring 2020
- Funding increases from \$10 million to \$20 million.
