Assembly Bills				
AB 4/Arambula A – Health	Expands Medi-Cal to all undocumented adults with income at or below 138% FPL, contingent on appropriation by the Legislature in the annual Budget Act or other measure. Expands requirements of eligibility and enrollment plan to ensure individual maintains continuity of care. Requires DHCS to work with counties and public hospitals to maximize federal financial participation.	S-2 2/25/21		Health Coverage/Health Care Reform
AB 6/Levine A – Health	Requires the Department of Social Services (CDSS) and the Department of Public Health (CDPH) to develop health and safety guidelines/best practices for skilled nursing facilities, intermediate care facilities, and congregate living facilities providing post-acute care during a pandemic, public health crisis, or other emergency.	Watch 2/25/21		Communicable Disease Control
AB 32/Aguiar-Curry A – Health	Requires the Department of Health Care Services (DHCS) to indefinitely continue telehealth flexibilities established during the COVID-19 pandemic. Authorizes providers to enroll and recertify beneficiaries in certain Medi-Cal programs remotely, including the Family PACT program. Requires health services provided by an enrolled clinic through telehealth to be reimbursed by Medi-Cal on the same basis, to the same extent, and at the same payment rate as in-person health services. Requires DHCS to seek necessary federal approvals. Requires DHCS to convene an advisory group that includes specified representatives, including designated public hospitals and counties.	S-2 2/25/21	Sponsors: CAPH; California Health+ Advocates/California Primary Care Association (CPCA); CMA; Essential Access Health; Planned Parenthood Affiliates of CA; AltaMed	Access to Health Services

AB 45/Aguiar-Curry A – Health	Allows for the manufacture of dietary supplements, food, beverages, cosmetics, or pet foods that include industrial hemp or cannabinoids under the Sherman Food, Drug, and Cosmetic Law. Prohibits restrictions on the sales of these products. Requires manufacturers of these products to demonstrate that all parts of the plant used come from a state or country that has an established and approved industrial hemp program. Prohibits manufacturers of these products from including on the label, or publishing/disseminating any health-related information or statement. Creates requirements for the testing and labeling of these products. Unless explicitly approved by the federal Food and Drug Administration, industrial hemp may not be included in medical devices, prescription drugs, processed smokable products, including e-cigarettes with nicotine, smokable flower, including hookah and shisha with nicotine, and any product that contains nicotine, tobacco, or alcohol. Manufacturing enforcement to be conducted by the CA Department of Public Health and state, local, or law enforcement is allowed to review paperwork from those handling or transporting these products and take samples to test for verification.	Watch/BB 2/25/21	Same as SB 235/Allen.	Cannabis
AB 54/Kiley A – Bus. & Prof. and Gov't Org.	Prohibits the Department of Consumer Affairs and any licensing board under its purview, as well as the Alcoholic Beverage Control Board, from revoking the license of any licensee for failure to comply with any COVID-19 emergency order without being able to prove non-compliance with emergency orders resulted in transmission of the virus.	Watch 2/25/21	Same as SB 102/Melendez.	COVID-19
AB 69/Kiley A – Emergency Management	Requires state of emergency declared by the Governor to terminate after 60 days unless the Legislature extends the declaration by concurrent resolution. Limits legislative concurrent resolution from extending state of emergency by more than 60 days.	Watch 2/25/21	See also AB 108/Cunningham and SB 209/Dahle.	Public Health Emergency Preparedness
AB 108/Cunningham A – Emergency Management	Specifies order or regulation issued by Governor during a state of emergency made 60 or more days after proclamation of the emergency may only take effect upon adoption of a concurrent resolution of the Legislature approving the order or regulation.	Watch 2/25/21	See also AB 69/Kiley and SB 209/Dahle.	Public Health Emergency Preparedness
AB 112/Holden A – Appr Amended 3/25/21	Extends the Medi-Cal suspension period for inmates from one year to three years. Also applies to juveniles.	Watch/BB 2/25/21		Health Coverage/Health Care Reform

AB 118/Kamlager A – Emergency Management Hearing: 4/5/21	Establishes the Community Response Initiative to Strengthen Emergency Systems (CRISES) Act Grant Pilot Program within the Office of Emergency Services (OES) to expand participation of community organizations in emergency response for vulnerable populations. Requires OES to establish rules and regulations to make grants available to community organizations. Requires that grantees receive a minimum award of \$250,000 per year. Requires grantees to use grant funding for project planning and community engagement, project implementation, staffing, facilities, operational costs, consulting, training, and program/project evaluation. Specifies requirements of OES Director in establishing and staffing pilot program. Requires OES to establish an 11-member CRISES Act Advisory Committee consisting of an emergency medical system professional, public health professional, community-based organization representative, and a survivor of an emergency/crisis. Conditions act implementation upon appropriate funding being made available to OES. Specifies sunset date of January 1, 2026.	Watch 2/25/21	Sponsors: Alliance for Boys & Men of Color; ACLU of California; Anti Police-Terror Project; Berkeley Free Clinic; Black Lives Matter Los Angeles; Communities United for Restorative Youth Justice; East Bay Community Law Center; Justice Teams Network; Oakland Power Projects; PolicyLink; Public Health Advocates; Silicon Valley De-Bug; UDW/AFSCME Local 3930; Youth Justice Coalition	Injury Prevention
AB 121/Holden A – Bus. & Profs.	Allows active-duty military personnel to adopt dogs or cats from a public animal shelter. Per existing law, animal shelters may limit the number of dogs or cats adopted to one during a six-month period.	Watch 2/25/21		Animal Care and Control
AB 234/Ramos A – Appr	Removes provision requiring the California Department of Public Health (CDPH) to utilize existing staff and resources to establish the CDPH Office of Suicide Prevention.	S-3 2/25/21		Injury Prevention
AB 240/Rodriguez A – Health Hearing: 4/6/21	Requires California Department of Public Health (CDPH) to contract with an appropriate and qualified entity to conduct an evaluation of the adequacy of the local health department infrastructure to make recommendations for future staffing, workforce, and resource needs in order to accurately and adequately fund local public health. Requires CDPH to convene an advisory group of specified representatives and requires report to Legislature.	S-1 1/13/21	Sponsor: CHEAC	Public Health Infrastructure
AB 263/Bonta A – Floor Amended 3/17/21	Requires private detention facility operator to comply with and adhere to all local and state public health orders and occupational safety and health regulations. Specifies section does not modify authority, powers, or duties of local health officials with regard to state prisons, county jails, or other state or local correctional facilities. Includes urgency clause.	S-2 3/18/21	Sponsors: Immigrant Defense Advocates; NextGen; Physicians for Human Rights; California Collaborative for Immigrant Justice HOAC Supports	COVID-19

NEW BILL AB 362/Quirk-Silva A – Housing & Comm. Devel.	Sets forth minimum health and safety standards for homeless shelters, including requirements relative to ventilation, heating/cooling, laundry, bedding, lavatory facilities, and food preparation areas. Requires the housing, building, or health department of a local government to enforce the minimum health and safety standards for homeless shelters. Sets forth provisions around inspection reports and corrective action plans when violations are identified. Specifies Business, Consumer Services, and Housing Agency (BCSHA) may enforce the standards if a local government enters into a written agreement with the state. Requires enforcement agency to conduct at least one unannounced inspection of each shelter facility within its jurisdiction every three months. Specifies penalty provisions for substandard shelters. Requires enforcement agencies to report annually homeless shelter compliance to BCSHA.	Watch/BB 3/25/21		Health Equity
AB 369/Kamlager A – Health Amended 3/18/21	Requires DHCS to implement a program of presumptive eligibility for homeless individuals to the extent federal financial participation is available. Authorizes Medi-Cal providers to bill Medi-Cal for services rendered to homeless individuals outside of traditional medical settings, including street medicine teams, shelter-based care, or within transitional housing settings. Authorizes person experiencing homelessness to receive primary care services and referrals for specialty care from any Medi-Cal enrolled provider.	Watch 3/25/21	Sponsors: The Street Medicine Institute, University of Southern CA, and USC Keck School of Medicine	Health Coverage/Health Care Reform
AB 381/Davies A – Health & Judiciary Amended 3/25/21	Requires licensed adult alcoholism or drug abuse recovery or treatment facilities to administer naloxone hydrochloride and have at least one staff member on premises who knows where facility naloxone hydrochloride is stored and has been trained on the administration of the drug. Limited liability immunity is also provided.	S-2 2/25/21		Drug & Alcohol Services
AB 382/Kamlager A – Appr	Extends termination of the DHCS Whole Child Model (WCM) Stakeholder Advisory Group by two years to December 31, 2023.	S-2 2/25/21	Sponsor: California Children's Hospital Association	California Children's Services
AB 418/Valladares A – Emergency Management and Utilities & Energy <i>Hearing: 4/5/21 (EM)</i>	Establishes the Community Power Resiliency Program within CalOES to support local government efforts to improve resiliency in response to public safety power shutoff (PSPS) events. Requires CalOES to provide grant funding to counties, cities, special districts, and tribes to plan and deploy emergency resilience projects. Requires counties to utilize at least 50 percent of their noncompetitive allocation for prioritized activities, including food storage reserves and COVID-19 testing sites. States intent of Legislature to enact future legislation providing funding for the program.	Watch 2/25/21		Public Health Emergency Preparedness

Bill Number/ Author/Location	Description	CHEAC Position	Comments	Platform Subject
AB 420/Quirk Silva A – Arts, Entertainment, Sports, Tourism, & Internet Media; Labor & Employ. Amended 2/25/21	Intent bill to require all theme parks, regardless of size, be placed within the COVID-19 Industry Guidance within Orange/Moderate/Tier 3 for reopening rather than Yellow/Minimal/Tier 4. If executive branch takes those actions, requires Department of Industrial Relations to administer a competitive grant program for the purchase of personal protective equipment (PPE) for amusement park employees. Appropriates \$500,000 General Fund for the grant program.	Watch 2/25/21		COVID-19
AB 422/Friedman A – Gov. Org.	Authorizes local government to adopt an ordinance prohibiting person under 21 years of age from possessing any tobacco product. Requires a local ordinance, if adopted, to require the local government to issue an administrative citation that requires mandatory participation in an antismoking education program. Authorizes the ordinance to require payment of a participation fee in the program if offered on a sliding fee scale. Authorizes local government to confiscate a tobacco product if user is under 18 years of age with a notice and return of the product to a parent or legal guardian. Exempts active-duty military personnel 18 years or older.	Watch w/ Concerns 2/25/21		Tobacco Control
AB 439/Bauer-Kahan A – Health Hearing: 4/6/21	Adds nonbinary as an option for gender identity on death certificates.	Watch 2/25/21		Vital Stats
AB 457/Santiago A – Health	Sets forth the Telehealth Patient Bill of Rights, consisting of various provisions related to access, consumer protections, and cost-sharing for telehealth services. Specifies right for patient to be seen by a healthcare provider with a physical presence within a reasonable geographic distance from the patient's home. Exempts pay parity for telehealth services where provider is not located within a reasonable geographic distance from the patient's home. Requires health insurers and plans to comply with the Telehealth Bill of Rights.	Watch 2/25/21	Sponsor: California Medical Association (CMA)	Access to Health Services
AB 536/Rodriguez A – Emergency Management	Requires CalOES to conduct a gap analysis of the state's mutual aid system on a biennial basis considering the firefighting, law enforcement, emergency medical services, mass care, shelter, and hospital surge capacity. Specifies minimum requirements of gap analysis, including response requirements, baseline preparedness levels, and strategies to reduce and eliminate response shortfalls.	Watch 2/25/21		Public Health Emergency Preparedness
AB 541/Berman A – Appr Amended 3/2/21	Requires alcoholism and substance use disorder recovery and treatment facilities licensed by the Department of Health Care Services (DHCS) to assess each patient/client for tobacco use at the time of initial intake. If tobacco use disorder is identified, requires facility/program to provide specified information, including an offer for treatment or referral for tobacco use disorder treatment. Requires facility/program reporting to DHCS.	S-2 2/25/21		Tobacco Control

Bill Number/ Author/Location	Description	CHEAC Position	Comments	Platform Subject
AB 580/Rodriguez A – Emergency Management <i>Hearing: 4/5/21</i>	Requires counties to send a copy of its emergency plan to CalOES on or before March 1, 2022, and upon any update to its plan. Requires CalOES, in consultation with representatives of people with access and functional needs, to review each plan to determine consistency with FEMA best practices and guidance. Requires CalOES to conduct a review of county emergency plans and requires CalOES to annually disseminate guidance summarizing conclusions and recommendations of after-action reports from emergencies.	Watch 2/25/21		Public Health Emergency Preparedness
AB 585/L. Rivas A – Appr Amended 3/17/21	Establishes, upon appropriation by the Legislature, the Extreme Heat and Community Resilience Program within the Office of Planning and Research (OPR) to coordinate state efforts to address extreme heat, facilitate implementation of climate change projects statewide, and reduce public health risks by establishing community resilience centers. Specifies eligible activities of the program, including construction and retrofitting of facilities to serve as community resilience centers. Directs OPR to establish criteria and guidelines for grants and directs OPR to give priority to applicants serving disadvantaged communities and vulnerable populations, as determined by the relevant local health department, CDPH, or both .	S-3 2/25/21	Sponsor: Climate Resolve	Built Environment & Climate Change
AB 598/R. Rivas A – Health & Judiciary	Requires California Attorney General to establish and maintain an online list of tobacco products that lack a characterizing flavor by July 2022. Authorizes AG to require that all tobacco manufacturers submit list of all brand styles of tobacco products. Sets forth determination and challenge/appeal process for tobacco manufacturers and importers. Includes urgency clause.	S-2 2/25/21	Sponsor: California Attorney General	Tobacco Control
AB 619/Calderon A – Health & Emergency Management <i>Hearing: 4/6/21 (Health)</i>	Requires the California Department of Public Health (CDPH) to develop an Air Quality Health Plan with recommendations and guidelines for counties to use in significant air quality event caused by wildfires or other sources. Specifies requirements of plan, including information on policy and procedures on availability of air filtration masks and other personal protective equipment (PPE), public notification processes, and prevention strategies. Requires counties, in advance of the next update to emergency plans, to create a task force to use the CDPH Air Quality Plan to develop a county-specific plan and establish criteria, locations, and effectiveness measures for public respite facilities during poor air quality and other weather-related events. Requires counties to assign a role or department/agency as serve as the lead for each recommendation and guideline included in the county plan. Requires CDPH to conduct a COPD Provider Awareness Campaign and a statewide public education campaign regarding wildfires and other environmental hazards. Requires CDPH to contract with local nonprofit organizations, as specified, to conduct public events and workshops to screen people for lung diseases.	Watch/BB 2/25/21		Chronic Disease Prevention & Wellness Promotion

Bill Number/ Author/Location	Description	CHEAC Position	Comments	Platform Subject
AB 653/Waldron A – Public Safety <i>Hearing: 4/6/21</i>	Establishes a five-year Medication Assisted Treatment (MAT) grant program to be administered by the Board of State and Community Corrections to award competitive grants to counties for a variety of MAT related activities including but not limited to providing MAT medication to inmates upon release, costs for providing MAT to people who are under criminal justice supervision, and mobile crisis teams. Requires data reporting on funded activities.	Watch 2/25/21		Drug & Alcohol Services
AB 654/Reyes A – Labor & Employment <i>Hearing: 4/8/21</i>	Requires CDPH to make workplace COVID-19 outbreak and case data information available on their website in addition to data linked to specific industries.	Watch 2/25/21	Clean-up to AB 685/Reyes.	COVID-19
AB 702/Santiago A – Bus. & Prof.	Requires local animal control to issue dog or cat breeder permits. Allows local jurisdictions to charge a fee for issuance of breeder permits not to exceed reasonable costs of administering the program. Local animal control agencies are responsible for enforcing these provisions.	Watch w/ Concerns 3/11/21	Sponsor: Social Compassion in Legislation	Animal Care and Control
AB 714/Maienschein A – Health	Requires most congregate care facilities, not just skilled nursing facilities, to reported communicable disease related information to CDPH and to inform patients or residents about communicable disease cases within their facilities.	Watch 3/18/21		Communicable Disease Control
AB 751/Irwin A – Health	Deletes the sunset provision in statute allowing local registrars to accept an electronic acknowledgement, sworn under penalty of perjury, that the requester of a marriage, birth, or death certificate is an authorized person. Requires requests made for these documents electronically for local officials to accept electronic verification authenticating the identity of the applicant using a process that meets the National Institute of Standards and Technology Digital Identity Guidelines as well as other requirements.	S-2 3/11/21	Sponsor: County Clerks Association	Vital Statistics
AB 757/Davies A – Labor & Employment	Allows a private employer to request documentation from an employee if they have tested positive for COVID-19 and may be subject to work exclusion. Documentation can include a positive test or written documentation from a health care provider. Existing privacy protections must apply.	Watch 3/11/21		COVID-19
AB 768/Holden A – Education Amended 3/23/21	Requires the Division of Boating and Waterways and the California Department of Public Health (CDPH), in cooperation with the California Department of Education (CDE) and other appropriate entities, to develop an aquatic and pool safety program that includes a model policy available at no expense to local educational agencies (LEAs). Specifies requirements of model policy. Requires CDE to notify LEAs of the availability of the model policy and set deadlines for LEAs to adopt a program based on the policy. Requires an LEA governing body to review, at minimum every four years, its program and make necessary updates.	Watch 3/11/21		Injury Prevention

Bill Number/ Author/Location	Description	CHEAC Position	Comments	Platform Subject
AB 789/Low A – Health	Requires any patient receiving primary care services in an outpatient facility or receives primary care through a primary care clinic to be offered a Hep B or Hep C screening test. Follow-up care must be provided or referral to a health care provider to those who opt to be tested and either test positive for Hep B or test reactive for Hep C.	S-3 3/11/21		Communicable Disease Control
AB 805/Maienschein A – Emergency Management <i>Hearing: 4/5/21</i>	Requires MHOACs to report specified personal protective equipment (PPE) data weekly to CalOES during any health-related state of emergency in California. At all other times, the MHOAC is required to report this information to CalOES on a monthly basis.	Watch w/ Concerns 3/11/21	Sponsor: CA Nurses Assn	Public Health Emergency Preparedness
AB 814/Levine A – Privacy & Consum. Protect & Judiciary <i>Hearing: 4/8/21 (P&CP)</i>	Requires that data collected, received, or used for contact tracing purposes cannot be used, maintained, or disclosed for any purpose other than for facilitating contact tracing efforts. Prohibits law enforcement officials from engaging in contact tracing.	Watch 3/11/21	Similar to last year's AB 661/Levine	Communicable Disease Control
AB 816/Chiu A – Housing & Comm. Develop. <i>Hearing: 4/15/21</i>	Requires the Department of Housing and Community Development (DHCD), upon appropriation by the Legislature or upon receipt of technical assistance from the U.S. Department of Housing and Urban Development (HUD), to conduct a statewide homelessness needs and gap analysis, evaluate data on persons exiting state-funded settings into homelessness, and seek input from the Homeless Coordinating and Financing Council. Specifies requirements of needs and gap analysis and authorizes local governments to share data with the Homeless Coordinating and Financing Council. Requires DHCD to set various benchmark goals in reducing homelessness and requires counties to submit to DHCD an actionable county-level plan for meeting specific annual benchmarks. Specifies local governments without an adopted county-level plan or without sufficient progress to be noncompliant. Establishes the Housing and Homelessness Inspector General in DHCD. Authorizes Inspector General to bring civil action against noncompliant state and local governments. Prohibits jurisdictions from intentionally transporting homeless individuals out of their jurisdiction to decrease that jurisdiction's homeless population.	Watch 3/11/21		Health Equity
AB 831/Asm. Health A – Appr	Implements various technical modifications in California Retail Food Code, including on subjects related to charitable feeding operations, outdoor wood burning ovens and satellite food services, alternate glove use procedures, local enforcement agency exemptions, and cottage food operations labeling.	Watch 3/11/21	Sponsor: CAEHA	Environmental Health
AB 833/Quirk-Silva	Requires that any grant the state provides by the state to local government to include a maximum allocation of administrative costs funding be capped at five percent.	Watch/BB 3/11/21		LHD Administration & Simplification

Bill Number/ Author/Location	Description	CHEAC Position	Comments	Platform Subject
AB 835/Nazarian A – Health	Requires CA Department of Public Health to develop protocols to be used by hospital emergency departments in order to implement an HIV testing program for ED patients.	Watch 3/11/21	Sponsor: AIDS Healthcare Foundation	Communicable Disease Control
NEW BILL AB 856/Maienschein A – Appr	Enacts the COVID-19 Youth Health Information Act and requires the California Department of Education (CDE) to post online information on the safe return of pupils to exercise and physical activity after exposure to COVID-19. Requires information to include guidelines from the American Academy of Pediatrics. Requires CDE to monitor best practices and guidelines on safe return of pupils to exercise and physical activity after COVID-19 exposure.	Watch 3/25/21		COVID-19
AB 875/Wood A – Health	Specifies enhanced care management (ECM) as a covered Medi-Cal benefit, no sooner than January 2022, to include at minimum coordination of primary, acute, behavioral, oral, and long-term services and supports. Requires Department of Health Care Services (DHCS) to seek necessary federal approvals and specifies provisions are only implementable to the extent federal financial participation is available. Requires Medi-Cal Managed Care plans to disclose the availability of in lieu of services (ILOS) and settings available to beneficiaries. Requires plans to report specified ILOS information and data to DHCS.	Watch 2/25/21	See also SB 256/Pan.	CalAIM
AB 893/Davies A – Accountability & Admin. Review	Requires Cal/OSHA and/or CDPH, within fourteen days of the release of federal recommendations that conflicts with an emergency regulation related to COVID-19, to review the conflicting regulation and either amend the regulation or submit a report to the Legislature explaining their reasoning for not amending the regulation and to publicly post that report.	Watch 3/11/21		Public Health Emergency Preparedness
AB 941/Bennett A – Hum. Svcs. <i>Hearing: 4/7/21</i>	Requires the Department of Community Services and Development (DCSD), upon appropriation by the Legislature, to establish and administer a grant program for eligible counties to establish and fund farmworker resource centers to provide information and access to various public services in education, housing, utilities, payroll and wages, and health and human services. Requires participating counties to work with community-based organizations in developing the center, provide 25 percent of the center's program funding, and provide services in at least English and Spanish.	Watch 3/11/21	Note: Program modeled after the Ventura County Farmworker Resource Program within the Ventura County Human Services Agency.	Health Equity

Bill Number/ Author/Location	Description	CHEAC Position	Comments	Platform Subject
AB 988/Bauer-Kahan A – Health and Communications & Conveyance	Establishes the 988 Crisis Hotline System under the authority of CalOES. Specifies CalOES responsibilities of the 988 Crisis Hotline System, including ensuring coordination between 988 call centers, 911 call centers, mental health crisis services, and mental health warm lines/hotlines. Requires CalOES to establish quarterly stakeholder convenings among specified representatives, including mental health consumers, county behavioral health, law enforcement, and emergency responders, to provide input on 988 regulations. Specifies requirements for each 988 call center, including maintaining an active agreement with the National Suicide Prevention Lifeline, utilizing technology that is interoperable between and across crisis and emergency response systems, and deploying mental health crisis services. Requires counties to seek to offer a full continuum of mental health crisis services to the extent resources are available. Requires counties to bill for all medically necessary treatment of mental health and substance use disorders provided to privately insured individuals. Requires county-operated mental health crisis services to be made available to all 988 callers and requires counties to coordinate with 988 call centers. Establishes a 988 surcharge on each telephone access line in the state to support the 988 Crisis Hotline System. Requires the CDPH Office of Health Equity to provide technical assistance to CalOES, counties, and 988 call centers regarding culturally and linguistically appropriate 988 services. Includes urgency clause.	Watch/BB 3/11/21	Sponsors: Contra Costa County; Los Angeles County; Kennedy Forum; Miles Hall Foundation; NAMI Contra Costa; Steinberg Institute; Re:Store Justice	Injury Prevention
AB 998/Lackey A – Public Safety & Health <i>Hearing: 4/6/21</i>	Requires the California Department of Corrections and Rehabilitation (CDCR), Department of State Hospitals (DSH), and any county agency caring for inmates to disclose, by electronic transmission when possible, inmate mental health records when an inmate is transferred between a county correctional facility, county medical facility, state correctional facility, or state hospital to ensure sufficient mental health history is available for inmate assessment and continuity of mental health treatment. Requires mental health records to be disclosed at the time of transfer or within seven days.	Watch 3/11/21	Sponsor: AFSCME	Jail & Community Corrections Services
AB 1017/Quirk-Silva A – Local Gov't <i>Hearing 4/5/21</i>	Requires local governments to complete an inventory of public restrooms available to homeless populations for use during the COVID-19 pandemic. Requires local governments to submit a report to CalOES no later than June 2022 providing a map and listing of available public restrooms, as well as short- and long-term strategies for ensuring homeless populations have adequate access to restrooms.	Watch 3/11/21		Health Equity

AB 1117/Wicks A – Education & Health	Establishes the Healthy Start: Toxic Stress and Trauma Resiliency for Children Program. Requires the California Department of Education (CDE) and Department of Health Care Services (DHCS) to establish the Children’s Coordinated Services Response Team and specifies membership and responsibilities of the team. Requires the Superintendent of Public Instruction to award grants of no more than \$500,000 to qualifying entities to cover planning and operating costs of programs providing support services to school children and families at or near their enrolled school. Specifies qualified entities include certain local educational agencies (LEAs), community-based organizations (CBOs), county behavioral health agencies working with an LEA, or early childhood or childcare program working with an LEA. Specifies support services to include health care, mental health, family support and parenting education, academic support services, nutrition services, youth development services, and case management, among others. Requires qualifying entities to provide a \$1 match for each \$2 awarded. Specifies content to be addressed in the program plan, including reaching target populations, involving parents/guardians in the program, and involving representatives from the local health department and Medi-Cal Managed Care plan. Specifies grant application requirements. Identifies priority criteria to be used by CDE in awarding grants. Specifies program to be implemented only to the extent the Legislature appropriates funding in the annual budget act or other statute or upon receipt of federal funding.	Watch 3/11/21		Health Equity
AB 1130/Wood A – Health <i>Hearing: 4/6/21</i>	Establishes the Office of Health Care Affordability within the Office of Statewide Health Planning and Development (OSHPD). The office will be responsible for analyzing the healthcare market for cost trends and drivers of spending, develop data-informed policies for lowering health care costs for consumers, create a state strategy for controlling the cost of health care, and ensure affordability for consumers.	Watch 3/11/21	Note: Also proposed as part of the Governor’s January budget.	Health Coverage/Health Care Reform
AB 1144/R. Rivas A – Health	Specifies local governments shall not prohibit, restrict, or require approval for a cottage food operation in residential dwellings except for food safety purposes and for number of employees, customers and parking, and trash disposal frequency. Increases cottage food operations gross annual sales limits from \$50,000 to \$100,000. Specifies sales may include transactions made via phone, internet, or other digital method and may be fulfilled in person, via mail delivery, or using any third-party delivery services. Removes the limitation on Class B cottage food operations from selling only within the permitted county to allow statewide sales. Restricts local enforcement agency from requiring cottage food operation to submit for review more than one sample product label per food category. Requires cottage food operations labels to include phone number and email address of operator or physical address of operation.	Watch 3/11/21		Environmental Health
