AB 45/Aguiar-Curry Passed to Senate Amended 5/27/21	Allows for the manufacture of dietary supplements, food, beverages, cosmetics, or pet foods that include industrial hemp or cannabinoids under the Sherman Food, Drug, and Cosmetic Law. Prohibits restrictions on the sales of these products. Requires manufacturers of these products to demonstrate that all parts of the plant used come from a state or country that has an established and approved industrial hemp program. Prohibits manufacturers of these products from including on the label, or publishing/disseminating any health-related information or statement. Creates requirements for the testing and labeling of these products. Unless explicitly approved by the federal Food and Drug Administration, industrial hemp may not be included in medical devices, prescription drugs, processed smokable products, including e-cigarettes with nicotine, smokable flower, including hookah and shisha with nicotine, and any product that contains nicotine, tobacco, or alcohol. Manufacturing enforcement to be conducted by the CA Department of Public Health and state, local, or law enforcement is allowed to review paperwork from those handling or transporting these products and take samples to test for verification.	Watch/BB 2/25/21	Same as SB 235/Allen.	Cannabis
AB 54/Kiley A – Bus. & Prof. and Gov't Org. FAILED PASSAGE (Bus. & Prof.) Amended 4/5/21	Prohibits the Department of Consumer Affairs and any licensing board under its purview, except for those that are healing arts, as well as the Alcoholic Beverage Control Board, from revoking the license of any licensee for failure to comply with any COVID-19 emergency order without being able to prove non-compliance with emergency orders resulted in transmission of the virus.	O-2 4/7/21	Same as SB 102/Melendez.	COVID-19
AB 69/Kiley A – Emergency Management TWO YEAR BILL	Requires state of emergency declared by the Governor to terminate after 60 days unless the Legislature extends the declaration by concurrent resolution. Limits legislative concurrent resolution from extending state of emergency by more than 60 days.	Watch 2/25/21	See also AB 108/Cunningham and SB 209/Dahle.	Public Health Emergency Preparedness
AB 93/E. Garcia A – Health TWO YEAR BILL	Requires the Legislative Analyst's Office (LAO) to conduct a review and analysis of the state's response to the pandemic. Requires that during a viral pandemic or similar health care emergency that the state include multiple community health centers as part of its organizational response structure. Requires the state to provide an ongoing supply chain of medical supplies and equipment necessary to address the level of need established by the COVID-19 pandemic. Requires CDPH and DHCS to collaborate to develop a statewide, comprehensive plan to conduct an outreach and education campaign during a viral pandemic or health care emergency. Defines priority tiers in statute for certain types of workers to be prioritized for rapid testing and vaccinations during a pandemic.	Watch w/ Concerns 4/8/21		Communicable Disease Control
AB 108/Cunningham A – Emergency Management TWO YEAR BILL	Specifies order or regulation issued by Governor during a state of emergency made 60 or more days after proclamation of the emergency may only take effect upon adoption of a concurrent resolution of the Legislature approving the order or regulation.	Watch 2/25/21	See also AB 69/Kiley and SB 209/Dahle.	Public Health Emergency Preparedness

AB 362/Quirk-Silva Passed to Senate Amended 5/24/21	Sets forth minimum health and safety standards for homeless shelters, including requirements relative to ventilation, heating/cooling, laundry, bedding, lavatory facilities, and food preparation areas. Requires the housing, building, or health department of a local government to enforce the minimum health and safety standards for homeless shelters. Sets forth provisions around inspection reports and corrective action plans when violations are identified. Specifies the Department of Housing & Community Development may enforce the standards if a local government does not inspect and resolve a complaint for violation within three months of receiving the complaint. Requires enforcement agency to conduct at least one announced or unannounced inspection of each shelter facility within its jurisdiction every year. Requires local agencies to inform BCHSA of each complaint it receives and provide BCHSA with confirmation that the complaint has been resolved within three months of receipt. Specifies penalty provisions for substandard shelters. Requires enforcement agencies to report annually homeless shelter compliance to BCSHA.	Watch 4/9/21		Health Equity
AB 369/Kamlager In Senate Amended 4/26/21	Requires DHCS to implement a program of presumptive eligibility for homeless individuals to the extent federal financial participation is available. Authorizes Medi-Cal providers to bill Medi-Cal for services rendered to homeless individuals off the premises of the Medi-Cal provider's office. Authorizes person experiencing homelessness to receive primary care services and referrals for specialty care from any Medi-Cal enrolled provider.	Watch 3/25/21	Sponsors: The Street Medicine Institute, University of Southern CA, and USC Keck School of Medicine	Health Coverage/Health Care Reform
AB 381/Davies S – Health & Judiciary <i>Hearing: 6/9/21 (Health)</i> Amended 3/25/21	Requires licensed adult alcoholism or drug abuse recovery or treatment facilities to administer naloxone hydrochloride and have at least one staff member on premises who knows where facility naloxone hydrochloride is stored and has been trained on the administration of the drug. Limited liability immunity is also provided.	S-2 2/25/21		Drug & Alcohol Services
AB 382/Kamlager S – Health <i>Hearing: 6/9/21</i> Amended 4/29/21	Extends termination of the DHCS Whole Child Model (WCM) Stakeholder Advisory Group by two years to December 31, 2023.	S-2 2/25/21	Sponsor: California Children's Hospital Association	California Children's Services
AB 418/Valladares Passed to Senate Amended 5/24/21	Establishes the Community Power Resiliency Program within CalOES to support local government efforts to improve resiliency in response to power outage events. Requires CalOES to provide grant funding to counties, cities, special districts, and tribes to plan and deploy emergency resilience projects. States intent of Legislature to enact future legislation providing funding for the program.	Watch 2/25/21		Public Health Emergency Preparedness

Bill Number/ Author/Location	Description	CHEAC Position	Comments	Platform Subject
AB 420/Quirk Silva A – Arts, Entertainment, Sports, Tourism, & Internet Media; Labor & Employ. Amended 2/25/21	Intent bill to require all theme parks, regardless of size, be placed within the COVID-19 Industry Guidance within Orange/Moderate/Tier 3 for reopening rather than Yellow/Minimal/Tier 4. If executive branch takes those actions, requires Department of Industrial Relations to administer a competitive grant program for the purchase of personal protective equipment (PPE) for amusement park employees. Appropriates \$500,000 General Fund for the grant program.	Watch 2/25/21		COVID-19
AB 422/Friedman A – Gov. Org. TWO YEAR BILL	Authorizes local government to adopt an ordinance prohibiting person under 21 years of age from possessing any tobacco product. Requires a local ordinance, if adopted, to require the local government to issue an administrative citation that requires mandatory participation in an antismoking education program. Authorizes the ordinance to require payment of a participation fee in the program if offered on a sliding fee scale. Authorizes local government to confiscate a tobacco product if user is under 18 years of age with a notice and return of the product to a parent or legal guardian. Exempts active-duty military personnel 18 years or older.	Watch w/ Concerns 2/25/21		Tobacco Control
AB 439/Bauer-Kahan S – Health Hearing: 6/9/21	Adds nonbinary as an option for gender identity on death certificates.	Watch 2/25/21		Vital Stats
AB 526/Wood S – Bus., Prof., & Econ. Devel. Amended 5/25/21	Authorizes dentists and podiatrists to independently prescribe and administer FDA approved or authorized vaccines.	S-3 4/8/21		Communicable Disease Control
AB 536/Rodriguez S – Gov. Org.	Requires CalOES to conduct a gap analysis of the state's mutual aid system on a biennial basis considering the firefighting, law enforcement, emergency medical services, mass care, shelter, and hospital surge capacity. Specifies minimum requirements of gap analysis, including response requirements, baseline preparedness levels, and strategies to reduce and eliminate response shortfalls.	Watch 2/25/21		Public Health Emergency Preparedness
AB 541/Berman Passed to Senate Amended 5/24/21	Requires alcoholism and substance use disorder recovery and treatment facilities licensed by the Department of Health Care Services (DHCS) to assess each patient/client for tobacco use at the time of initial intake. If tobacco use disorder is identified, requires facility/program to provide specified information, including an offer for treatment or referral for tobacco use disorder treatment.	S-2 2/25/21		Tobacco Control

Bill Number/ Author/Location	Description	CHEAC Position	Comments	Platform Subject
AB 580/Rodriguez S – Gov. Org. Amended 4/12/21	Requires counties to send a copy of its emergency plan to CalOES on or before March 1, 2022, and upon any update to its plan. Requires CalOES, in consultation with representatives of people with access and functional needs, to review each plan to determine consistency with FEMA best practices and guidance. Requires CalOES to conduct a review of county emergency plans and requires CalOES to annually disseminate guidance summarizing conclusions and recommendations of after-action reports from emergencies.	Watch 2/25/21		Public Health Emergency Preparedness
AB 585/L. Rivas Passed to Senate Amended 5/24/21	Establishes, upon appropriation by the Legislature, the Extreme Heat and Community Resilience Program within the Office of Planning and Research (OPR) to coordinate state efforts to address extreme heat, facilitate implementation of climate change projects statewide, and reduce public health risks by establishing community resilience centers. Specifies eligible activities of the program, including construction and retrofitting of facilities to serve as community resilience centers. Directs OPR to establish criteria and guidelines for grants and directs OPR to give priority to applicants serving disadvantaged communities and vulnerable populations, as determined by the relevant local health department, CDPH, or both.	S-3 2/25/21	Sponsor: Climate Resolve	Built Environment & Climate Change
AB 598/R. Rivas A – Health & Judiciary	Requires California Attorney General to establish and maintain an online list of tobacco products that lack a characterizing flavor by July 2022. Authorizes AG to require that all tobacco manufacturers submit list of all brand styles of tobacco products. Sets forth determination and challenge/appeal process for tobacco manufacturers and importers. Includes urgency clause.	S-2 2/25/21	Sponsor: California Attorney General	Tobacco Control
AB 619/Calderon Passed to Senate Amended 5/24/21	Requires the California Department of Public Health (CDPH) to develop an Air Quality Health Plan with recommendations and guidelines for counties to use in significant air quality event caused by wildfires or other sources. Specifies requirements of plan, including information on policy and procedures on availability of air filtration masks and other personal protective equipment (PPE), public notification processes, and prevention strategies. Requires counties, in advance of the next update to emergency plans, to create a task force to use the CDPH Air Quality Plan to develop a county-specific plan and establish criteria, locations, and effectiveness measures for public respite facilities during poor air quality and other weather-related events. Requires counties to assign a role or department/agency as serve as the lead for each recommendation and guideline included in the county plan.	Watch/BB 2/25/21		Chronic Disease Prevention & Wellness Promotion

SB 326/Pan A – Health	Eliminates all federal Affordable Care Act (ACA) statutory “tie-backs.” Codifies ACA provisions health insurance reforms in CA law including coverage for the ten essential health benefits, guaranteed issue and renewability provisions, prohibitions on imposing pre-existing conditions exclusions, prohibitions on establishing coverage rules based on certain health status related factors, and limits on premium variations based on individuals/family size, geographic area, age, and tobacco use.	S-2 2/25/21		Health Coverage/Health Care Reform
SB 336/Ochoa Bogh Passed to Assembly Amended 5/3/21	Requires local health officers (LHO) or CDPH, when taking measures to prevent the spread of COVID-19, to have those measures published and to specify the date a change or closure would take effect. Requires CDPH or LHOs to create an opportunity for local communities, businesses, nonprofits, and individuals to sign up for an email distribution list regarding changes to these orders. Specifies requirement may be waived if immediate danger or an imminent threat to public is present.	Watch 4/26/21		COVID-19
SB 364/Skinner S – Appr Amended 4/14/21 TWO YEAR BILL	Beginning with the 2022-23 school year, requires a school district maintaining grades K-12 or a charter school to provide two school meals free of charge during each school day to any pupil who requests a meal without consideration of the pupil’s eligibility for a federally funded free or reduced-priced meal. Requires the California Department of Education (CDE) to reimburse schools for any expenses not covered by the federal government. Creates a non-competitive grant program to cover costs incurred from purchasing California-grown or produced school foods. Establishes the Better Out of School Time (BOOST) Nutrition EBT program to be administered by the California Department of Social Services (CDSS) to provide eligible pupils with breakfast and lunch benefits during regularly scheduled school breaks lasting longer than five days or during a state of emergency that closes the school for longer than five days. Requires CDSS to seek all available funding for the Pandemic EBT (P-EBT) program and requires CDSS to issue BOOST EBT benefits to any child/pupil eligible for P-EBT benefits. SB 371/Caballero A – Health Amended 5/20/21	Directs funding to small physician/dental practices, community health centers, critical access hospitals, and other safety net providers as well s social service entities and community-based organizations addressing social health needs to help them implement or expand their use of health information technology (HIT) and connect to health information exchanges. Creates a new Deputy Secretary for HIT in the CA Health and Human Services Agency (CHHS) to serve as the single point of contact for HIT in CA. Establishes an HIT Advisory Committee to advise CHHS on HIT issues including coordination amongst providers that use different technologies/platforms, seek funding for data exchange, and identify gaps in existing state systems including CDPH, CURES, and OSHPD. Requires DHCS to apply for federal funding, including from the Coronavirus Aid, Relief, and Economic Security Act of 2020, the American Rescue Plan Act of 2021, the Medicaid Information Technology Architecture (MITA) program, or other demonstration projects to be used to improve bidirectional data exchange between state sources and health providers including Medi-Cal, CalREDIE, CAIR, and CURES, and to provide technical assistance and support to safety net health care providers. Requires health information organizations to be connected to the California Trusted Exchange Network (CTEN). Requires entities involved in health information exchange to comply with federal standards.	Special Interest Bill 2/25/21	Sponsor: CA Medical Association	Health Information Technology
SB 395/Caballero Passed to Assembly Amended 5/3/21	Imposes a 12.5 percent tax on the retail sale of electronic cigarettes in California. Specifies allocation of tax revenues, consisting of 23 percent to Proposition 99, 13 percent to Proposition 10, and 52 percent to Proposition 56, and 12 percent to the Health Careers Opportunity Grant Program. Creates the Health Careers Opportunity Grant Program to improve access by underrepresented students from disadvantaged backgrounds to postsecondary health professions programs, including schools of public health. Sets forth provisions for the grant program to be administered by the Office of Statewide Health Planning and Development (OSHPD).	S-2 5/6/21	CSAC: Support	Tobacco Control
SB 397/Jones S – Judiciary Amended 3/15/21 TWO YEAR BILL	Requires Governor or local governments to deem religious services to be an essential service and necessary and vital to the health and welfare of the public during a state or local emergency. Prohibits state and local governments from taking discriminatory action against a religious organization during an emergency. Requires state and local governments to permit a religious organization to continue operating and engaging in services to the same or greater extent that other essential organizations and businesses are permitted to operate. Prohibits state and local governments from enforcing any health, safety, or occupancy requirement that imposes a substantial burden unless the government demonstrates that applying the burden is essential to further a compelling government interest. Authorizes religious organization to seek a legal claim against state and local governments. SB 492/Hurtado S – Floor Inactive File Amended 4/19/21	Requires CDPH to review pertinent records in tracking maternal morbidity and mortality data and to collect specified information about the pregnant person for each pregnancy-related death.	Watch 3/11/21		Maternal, Child, and Adolescent Health Services (MCAH)
SB 510/Pan Passed to Assembly Amended 5/10/21	Requires health care service plans or disability insurance policies that provide health care coverage to cover the cost of COVID-19 testing and any immunizations intended to prevent or mitigate COVID-19. In addition, these requirements would apply to any testing or immunizations intended to prevent any future pandemic disease during a declared public health emergency declared by the Governor of California. Specifies provisions are retroactively effective from the beginning of the Governor’s declared state of emergency related to COVID-19 on March 4, 2020.	Watch 3/11/21	Sponsor: CA Medical Association (CMA)	COVID-19
SB 519/Wiener Passed to Assembly Amended 5/20/21	Decriminalizes the possession and personal use of certain drugs including psilocybin (acid), MDMA (ecstasy), LSD, ketamine, and mescaline. Includes penalties for those under 21 using these substances including drug education or counseling and community service. Tasks CDPH with convening a working group to study and make recommendations regarding the possible regulatory systems that California could adopt to promote safe and equitable access to certain substances in permitted legal contexts and recommending options for caregiving and compassionate use of these controlled substances. Allows for the personal cultivation of these substances but does not create a legal market for the sale of these substances.	Watch/BB 3/11/21	CA State Sheriffs’ Association Opposed	Drug & Alcohol Services
SB 528/Jones Passed to Assembly Amended 5/25/21	Requires California Department of Social Services (CDSS) to create an electronic portal to provide health care providers with access to health information and Judicial Council forms relative to the administration of psychotropic medications associated with a foster care child. Requires foster care public health nurses (FCPHNs) to add and update specified information in the CDSS electronic portal. Requires FCPHNs provide foster care child medical, dental, and mental health records to health care providers no later than five days before the child’s appointment with the provider and to the child and/or caregiver within 24 hours of a request. Requires counties to provide training to FCPHNs on the use of the CDSS electronic portal. Requires counties to provide information to foster care children, caregivers, and health care providers on how to contact FCPHNs and how to request foster care children records.	Watch 4/22/21	CWDA: SIA contingent upon implementation workgroup.	Maternal, child, and Adolescent Health Services (MCAH)
SB 547/Glazer Passed to Assembly Amended 4/13/21	Requires the UC Davis School of Veterinary Medicine to develop the California Veterinary Emergency Team program to assist with the coordination and training of a network of government agencies, nongovernmental organizations, and individuals to assist in the evacuation and care of household and domestic animals and livestock in emergencies.	Watch 3/11/21		Animal Care & Control
