

2023 CHEAC Realignment Training
Wednesday, December 6, 2023 | 9:00 am-4:00 pm
In-Person: Sacramento, California
Cost: \$100
[REGISTRATION AVAILABLE HERE](#)

CHEAC will host a one-day training on 1991 Health Realignment for local health department leadership and relevant staff. The training will provide attendees with background and context on the formation of 1991 Realignment, administration of 1991 Health Realignment funds, and other important considerations for local health department financing related to Realignment. This event will be interactive and will feature several opportunities for discussion and sharing among attendees.

Event Preparation

To maximize attendee participation and engagement during the training, **attendees will be expected to gather and review information related to 1991 Realignment**, including:

- **AB 8 Report**
 - Prior to Realignment, counties were required to submit to the state an AB 8 Plan and Budget and an Actual Financial Data Report. The Actual Financial Data Report showed how AB 8 funds were being allocated among public health, inpatient care, and outpatient care within an individual county and contained details of AB 8 budget appropriations, revenues, and the county's share of costs for its programs.
 - Please bring a copy of your AB 8 report to the training.
- **Health Realignment Details**
 - Determine Health Realignment amounts received by your jurisdiction and how funds are used (e.g., split between public health services and indigent health services)
 - Determine Realignment MOE amount and how MOE is being met
 - Determine CCS MOE amount and how MOE is being met
 - Determine whether Realignment funds are received from Social Services for CCS
 - Determine funding shifts between Realignment subaccounts (to/from Health)
