

Achieving More with Less

Revolutionizing Public Health Data Access and
Strategically Leveraging AI

POLL QUESTION

What is your biggest challenge in accessing actionable public health data?

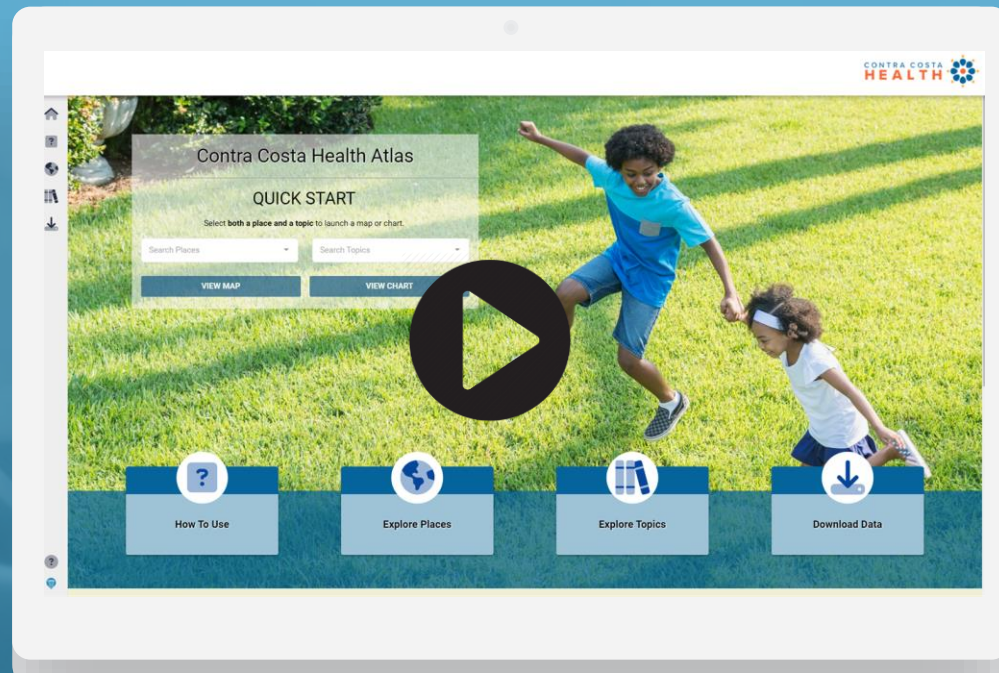

www.pollev.com/metopio009

A person is shown from the chest down, wearing a light-colored, textured sweater. They are holding a white tablet computer with both hands. The entire image is overlaid with a semi-transparent blue filter. Centered on the image is white text with a bolded phrase.

Rethink how you deploy your resources
to have ***the greatest impact*** for people
in the places you care about

POLL QUESTION

When you consider using automation to achieve more with less, which areas do you see as having the greatest benefit?

www.pollevo.com/metopio009

Sustainability Build & Support Capacity

Funding Options

- ARPA
- PHIG
- DMI
- Community Partners
- Department Budget

When we unite across sectors, communities,
and disciplines, our collective efforts can
break down barriers, bridge gaps, and create
a healthier, more equitable world.
