Leading Health Together: A Strategic Roadmap for Stronger Public Health

Kristal Baumbach, Program Manager
Kristal Baumbach is a Program Manager with Placer County Public Health. She has worked for Placer County Health and Human Services for ten years, with the past five dedicated to Public Health. Kristal serves as a co-chair for the Executive Committee for the CalLGA CMAA/TCM Consortium and has been a member of the committee since 2022. With extensive experience in public health operations, revenue optimization, and process analysis, Kristal brings a high-level perspective to improving local CMAA programs and supporting statewide LGA alignment.
