

Shared Assessments, Shared Impact: Advancing Community Health Through Aligned Partnerships

Hannah Chen, Community & Social Health
Lindsey Wright, Medi-Cal Local Engagement

Welcome & Expectations

DURING THIS SESSION, WE WILL:

- Explore how to leverage collective strengths, assets, and expertise to advance shared community health goals across Local Health Jurisdictions, health plans, and hospitals.
- Identify opportunities to align efforts, improve coordination, and reduce duplication across sectors.
- Discuss strategies to strengthen partnerships and accelerate population health impact.

Agenda

PART I

- Who We Are: Mission, Vision, & Impact
- Kaiser Permanente as a Managed Care Plan
- Our Community Partnership Approach in Action

PART II

- Learning From Each Other: Interactive Discussion
- Share Key Takeaways & Reflections

TODAY'S FOCUS

Leverage shared strengths • Align across sectors • Strengthen partnerships

The Kaiser Permanente Mission

Kaiser Permanente exists to provide high-quality, affordable health care services and to improve the health of our members and the communities we serve.

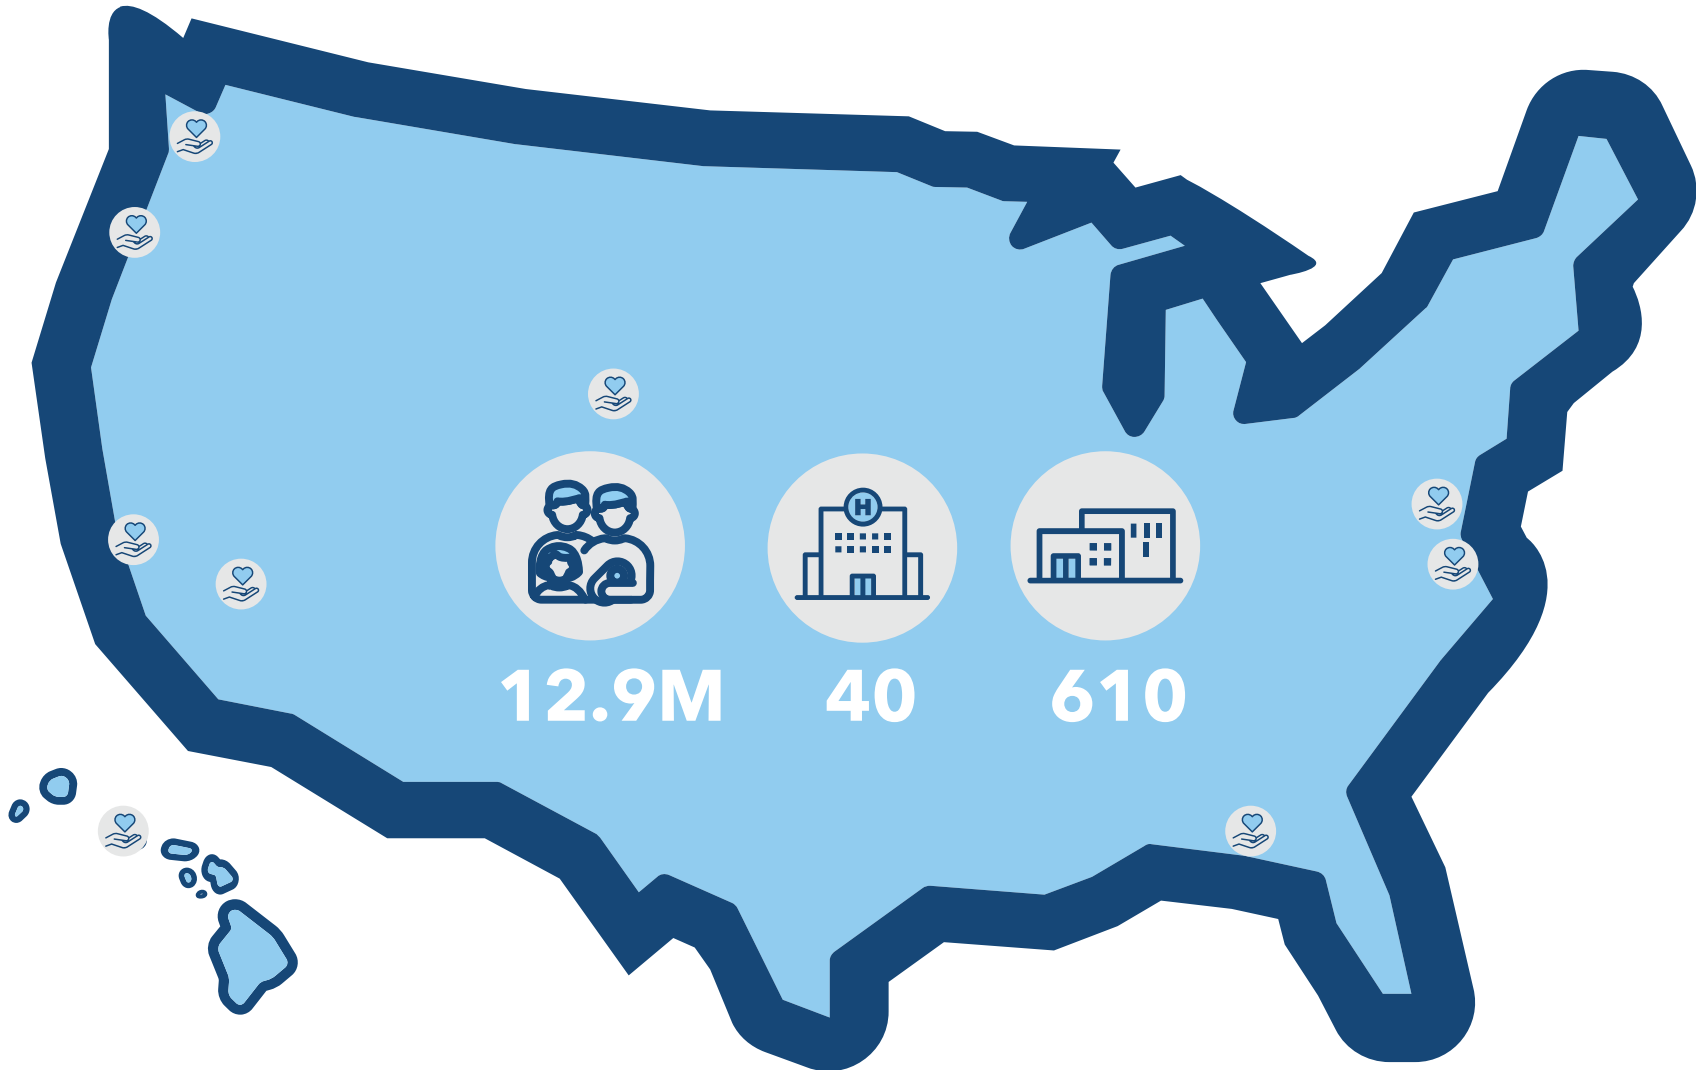

About Kaiser Permanente

**A leading health
care provider and
not-for-profit
health plan**

Serving communities across
the country through an
integrated care delivery
model.

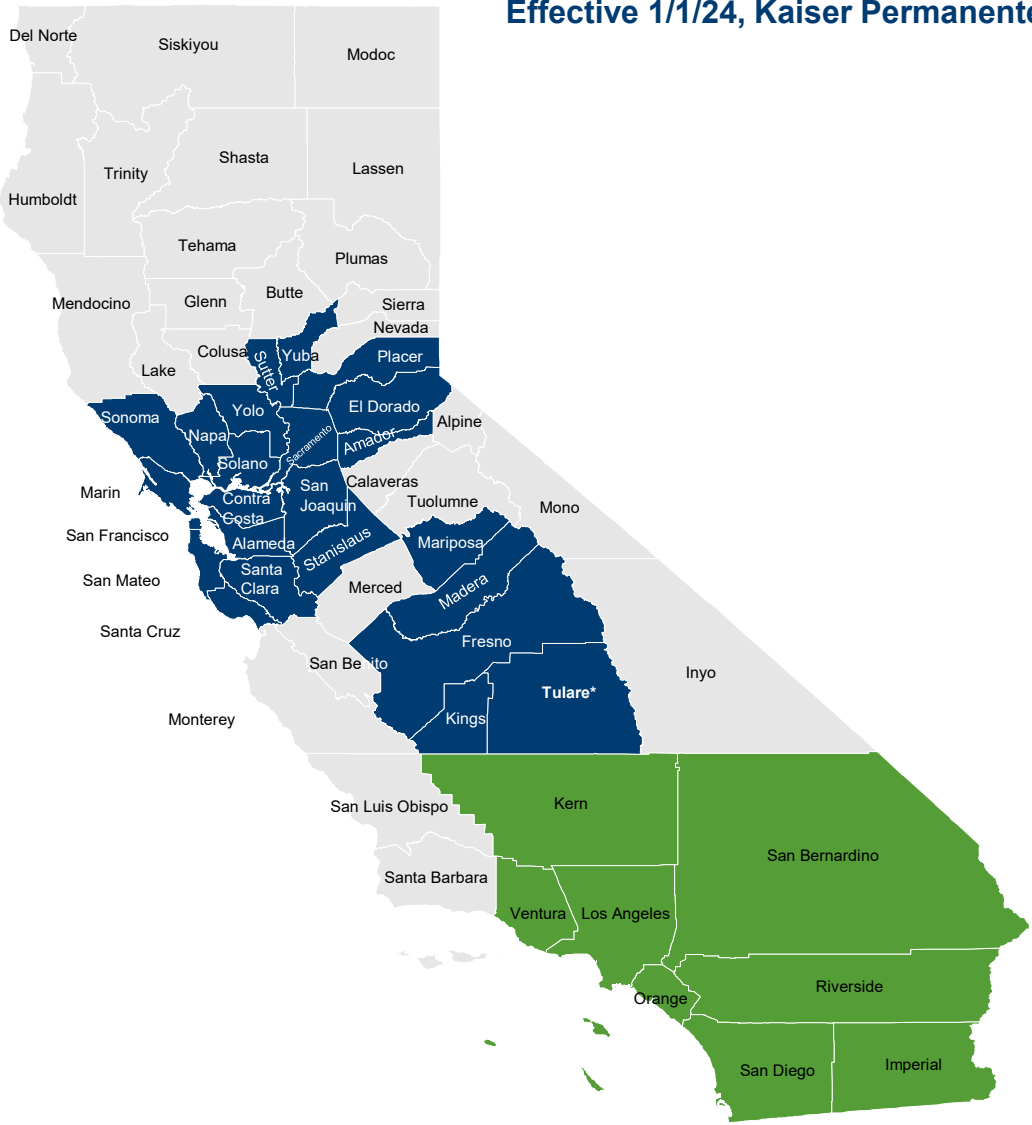

NATIONAL FOOTPRINT

Care, coverage, and community impact

Kaiser Permanente Statewide Medi-Cal Coverage Footprint

Effective 1/1/24, Kaiser Permanente entered a direct Medi-Cal contract in 32 counties in California.

Northern California

548,263 members (7/2026)

Alameda, Amador, Contra Costa, El Dorado, Fresno, Kings, Madera, Marin, Mariposa, Napa, Placer, Sacramento, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Solano, Sonoma, Stanislaus, Sutter, Tulare, Yolo, Yuba

Southern California

711,393 members (7/2026)

Imperial, Kern, Los Angeles, Orange, Riverside, San Bernardino, San Diego, Tulare, Ventura

KP Medi-Cal Enrollment

1,259,656

July 2026

* Tulare NCAL: 93618, 93631, 93646, 93654, 93666, 93673; Tulare SCAL: 93538, 93261

KP's Unique Position, One Coordinated Community Approach

The shared 2028 planning cycle creates an opportunity to coordinate data, engagement, and priorities.

Today and tomorrow

Turning county-identified needs into coordinated action and scalable impact

OPPORTUNITIES

Today and tomorrow

Turning county-identified needs into coordinated action and scalable impact

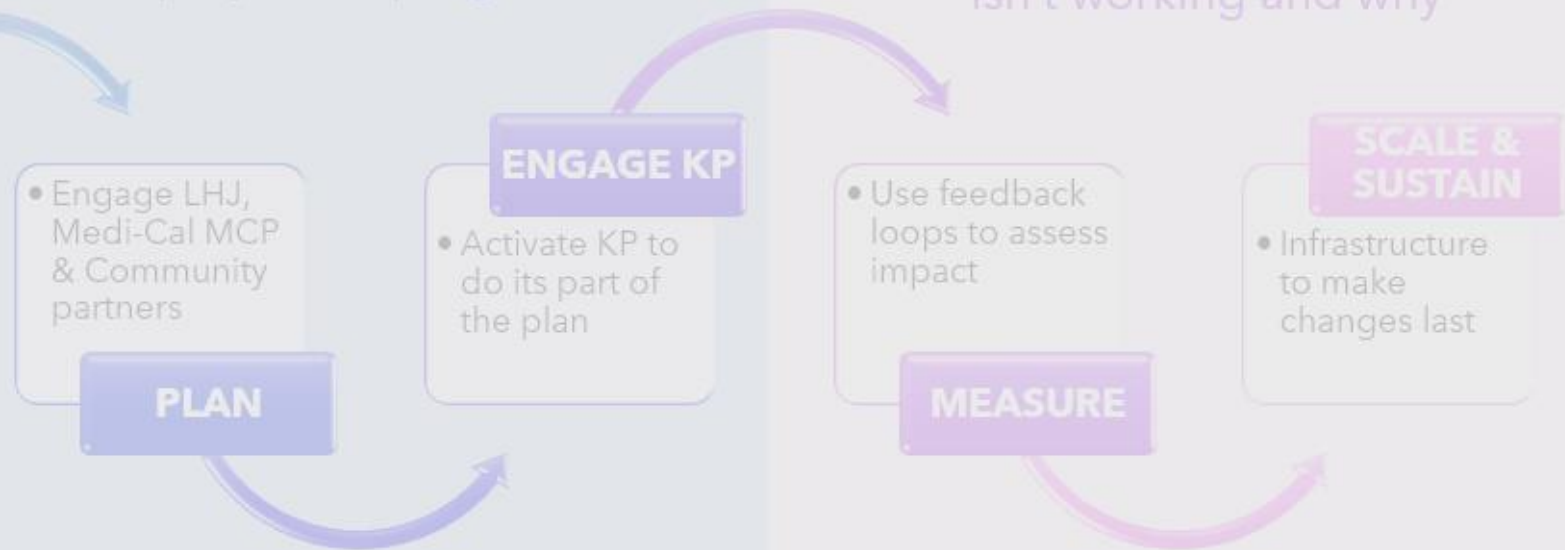

OPPORTUNITIES

Proactive identification of aligned priority areas

Engage counties in "center of desk" projects & programs

Connect efforts across counties

Deeper analysis & insights into what is & isn't working and why

Scale application across multiple counties

Today and tomorrow

Turning county-identified needs into coordinated action and scalable impact

OPPORTUNITIES

Proactive identification of aligned priority areas

Engage counties in "center of desk" projects & programs

Connect efforts across counties

Deeper analysis & insights into what is & isn't working and why

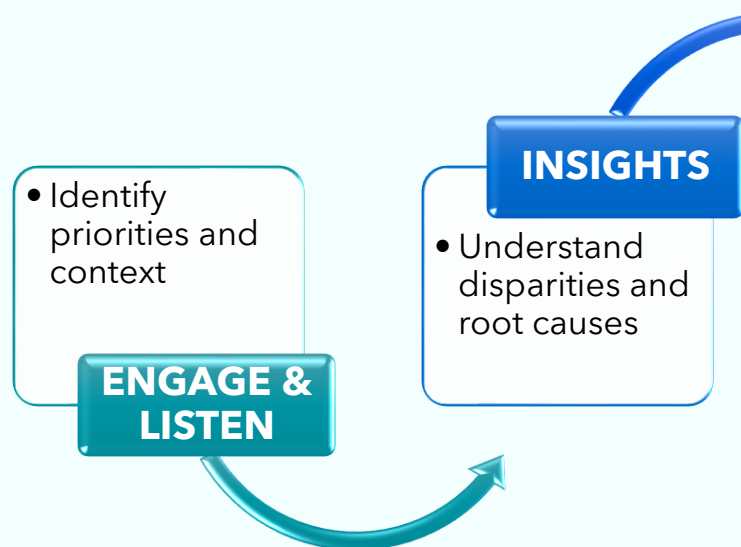

Integrated CHNA and CHA-CHIP funding programs

NCAL Deep Dive: Work in ACTION

SCAL Deep Dive: Work in Action

NCAL County Partnerships in Action

Local Planning and Local Engagement are translating county priorities into practical, community-based solutions.

YOLO COUNTY

Mobile Oral Health

Four sponsored mobile dental events

KP, Smile Dental Services, and Yolo County Public Health brought free preventive dental services to youth and families in rural and underserved communities.

YUBA COUNTY

Behavioral Health Navigation

Joint MCP–County resource

The County, KP, Partnership HealthPlan, and local behavioral health partners are developing a one-page behavioral health resource guide intended to become a reusable model across counties.

COUNTY PARTNERSHIPS

shared priorities • coordinated action

EL DORADO COUNTY

Maternal Health Access

Two community baby showers

KP joined other MCPs, El Dorado County, and local CBOs to plan and sponsor the county's first Community Baby Shower event in support of CHA/CHIP goals.

AMADOR

Rural Health

Mobile care in action

Amador County Public Health Department and KP partnered to host a Free Mobile Clinic event. KP clinical team provided blood pressure screenings, health education, and flu vaccinations to attendees.

SCAL County Partnerships in Action

RIVERSIDE COUNTY

Building Bridges to BHSA

Behavioral Health Collaboration

Through participation in county behavioral health forums, engagement with BHSA implementation leads, and co-leadership of the BH CHIP workgroup, KP is strengthening partnerships and supporting the County's evolving stakeholder engagement process.

ORANGE COUNTY

Blood Lead Screening Education for CHWs

Toolkits for Community Health Workers

KP partnered with local MCPs and the LHJ to develop a county-specific blood lead screening toolkit for CHWs and delivered a train-the-trainer session to support implementation.

LOS ANGELES COUNTY

Doula provider toolkit

Connecting with Doulas

KP is partnering with local MCPs to finalize an LA County Provider Toolkit, *How to Refer Medi-Cal Members to Doulas and CHWs* and is hosting the first of four Doula Services workgroups to support collaboration and implementation of the doula benefit.

KERN COUNTY

Community-Centered Health Education

CHIP-aligned cohorts and training

The training was developed in response to community health assessment findings showing disparities in maternal and child health outcomes affecting some Kern County communities, including Black/African American families.

COUNTY PARTNERSHIPS

shared learning • local implementation

2025 Year in Review

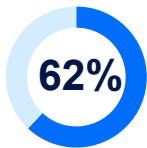

Based on the DHCS categories of support resourced by KFHP Local Planning, impact themes were established to increase context and clarity

Areas of Impact

LHJ Administrative Support & Capacity Building

\$1.2M+
Increasing Local Public Health Capacity

\$380K+
Improved Data Infrastructure & Analytics

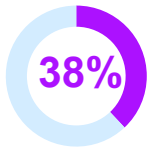

Community Engagement & CHIP Implementation

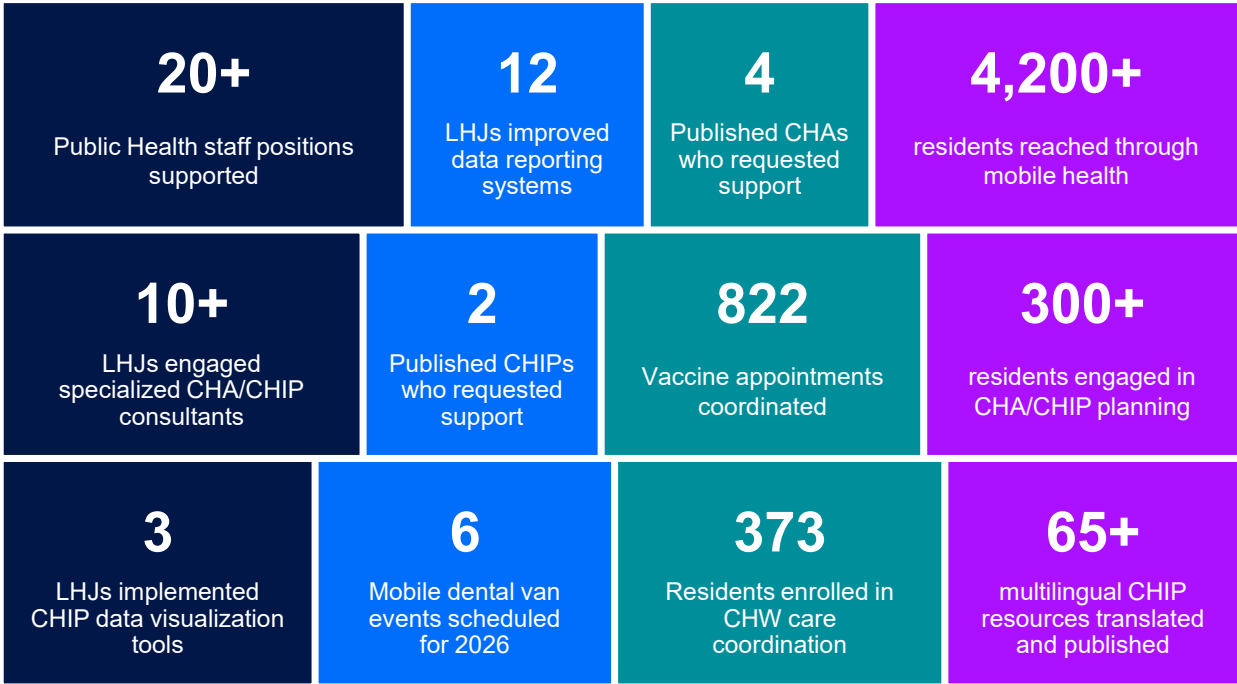

\$370K+
Advancing Cross-Sector Collaboration and Collective Action

\$370K+
Expanding Access to Care and Prevention Services

\$260K+
Strengthening Community Voice and Engagement

Key Outcomes

IMPACT AT A GLANCE Investments strengthened public health capacity, community engagement, and access to prevention services.

Discussion: Building Strong Cross-Sector Partnerships

INDIVIDUAL REFLECTIONS IN PAIRS

5 MIN

Think about a successful cross-sector partnership you have been part of. What made it successful?

SMALL GROUP DISCUSSION

15 MIN

SUCCESS

What structures or commitments have helped sustain collaboration beyond a particular initiative or funding cycle?

CHALLENGE

Name a persistent barrier that continues to hinder true collaboration.

HOPE

As CHA/CHIP and hospital CHNA planning cycles align in 2028, what would meaningful coordination look like?

Small Group Discussion

Groups will have ~5 minutes to discuss each topic below and share one highlight with the larger group

1

SUCCESS

What structures or commitments have helped sustain collaboration with health plans, hospitals, and community partners beyond a particular initiative or funding cycle?

Share one highlight

2

CHALLENGE

Name a persistent barrier that continues to hinder true collaboration.

Share one highlight

3

HOPE

As CHA/CHIP and hospital CHNA planning cycles align in 2028, what would meaningful coordination look like in your jurisdiction?

Share one highlight

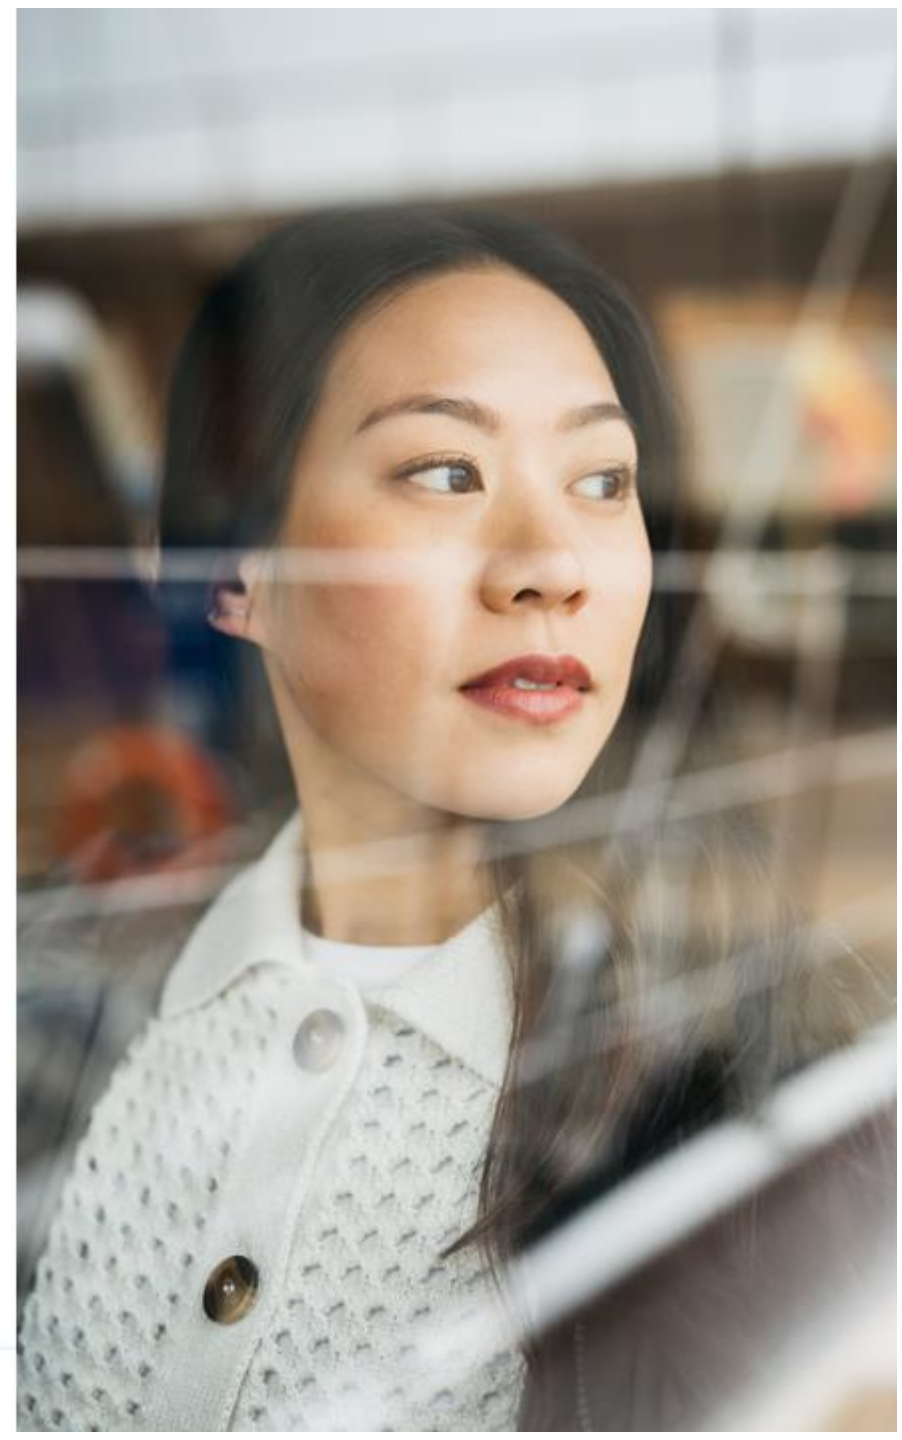

Key Takeaways & Closing Reflection

Together, we improve community health

- Communities are unique.
- Relationships matter.
- Trust takes time and consistency.
- Shared planning creates alignment.

CLOSING REFLECTION

What is one conversation you want to initiate in the next month to strengthen a community partnership?

Thank you!
